

Hockey Stick Column Range

The Cannon Hockey Stick Column Range is manufactured from mild steel. An all-in-one 'column and bracket' unit.

Our standard finish to our columns is hot dipped galvanised to BS EN-ISO 1461 for mild steel. Alternative finishes are available, such as, painted, anti-graffiti paint, etc.

Cannon is a distributor, manufacturer and stockist of street lighting columns and posts. We supply a wide range of columns, stepped, conical and sign posts, supplied and manufactured from our Hertford factory.

We build columns in a variety of materials to suit customer requirements including mild steel, stainless steel, aluminium and copper.
